USPS New Shipping Requirements: QuickVue® iFOB Test Kits

The United States Postal Service revised their “Domestic Mail Products and Prices” list. The revised price list is located at <http://pe.usps.com>. As a result, four (4) first class stamps are required for postage.

Quidel is in the process of updating all specimen collection kit packaging in the following kits to meet the new postage requirements:

QuickVue iFOB test, 20T – Cat. # 20194
QuickVue iFOB Specimen Collection Kit, 10T – Cat. # 20196
QuickVue iFOB Specimen Collection Kit, 40T – Cat. # 20204
QuickVue iFOB test sampler kit, 2T – Cat. # 20198

Please contact Quidel Technical Support at 800-874-1517 (USA only), 858-552-1100 or technicalsupport@quidel.com if you have any questions regarding the QuickVue iFOB test kit or any other Quidel product. Our hours of operation are Monday-Friday, 7:00 am – 5:00 pm Pacific Time.
