Section 1 – Product and Company Identification

1.1 Manufacturer Information
Quidel Corporation
10165 McKellar Court
San Diego, CA 92121
Phone: 1.800.874.1517
Fax: 1.858.453.4338
Web: quidel.com
E-mail: qehs@quidel.com

1.2 Product Information
Product Name: Cobra Venom Factor (Catalog #: A600)
Recommended Use: Cobra Venom Factor (CVF), sometimes referred to as C3b (Cobra), is the non-toxic, complement activating component of cobra venom. CVF functions as an unregulated C3b molecule, thus activating and depleting the C3 and C5 via the alternative pathway. This product is for research use only.
Components: 1 mL vial (typically frozen)

Section 2 – Hazards Identification

2.1 Emergency Overview
Significant health effects are not anticipated from routine use of this material when following Universal Precautions and general safety laboratory practices. None of the components listed within this kit are considered hazardous as defined by the Occupational Safety and Health Administration (OSHA), the Canadian Workplace Materials Information System (WHMIS), or the European Union (EU) Directives.

When working with this product we always recommend that employees wear appropriate personal protective equipment (PPE), including gloves, a lab coat and eye protection, and follow good laboratory hygiene practices to avoid any and all accidental exposure to workplace materials. Universal Precautions should be followed when working with any potentially infectious material.

Section 3 – Composition / Information on Ingredients
